🌿 EMC² Festival Glamping FAQs

Hosted by Ozarks Valley Glamping

✨ What is glamping at EMC²?

Glamping (glamorous camping) is a cozy, elevated camping experience—no setup required. Your tent will be fully prepared before you arrive, so you can drop in, land, and enjoy the festival without the stress of hauling or building your own camp.

🛏️ What's included with my glamping setup?

Your space is designed for comfort and ease. Each setup includes:

- Air mattress (customized to your booking request)
- Linens (sheets, blankets, pillows)
- Fully set-up tent before arrival
- Indoor battery-powered lighting
- A clean, cozy, ready-to-land environment for the full weekend

You just show up and exhale.

🎒 Do I need to bring anything?

We recommend bringing:

- Personal items (clothes, toiletries, etc.)
- Extra blankets or comfort items (if you like your own vibe)
- A flashlight or headlamp for nighttime wandering

- Phone charger / battery pack
- Anything that helps you feel at home

🔌 Is there electricity in the tents?

No—these are off-grid, nature-aligned setups. Lighting is provided via battery-powered lights, but there are no electrical outlets in the tents.

🌬️ What if my air mattress loses air?

Totally normal—air mattresses can experience a slow leak over time due to temperature changes and use.

👉 If this happens, simply reach out to a volunteer during the event and we'll help re-inflate it for you.

👉 If the mattress is punctured or damaged beyond normal use, it will need to be replaced at your expense.

🌧️ What happens if it rains?

These tents are designed for outdoor conditions and will keep you dry in normal weather. That said, you're still in nature—so come prepared for a little adventure.

We recommend:

- Bringing an extra blanket
- Packing layers
- Embracing the elements (because… festival magic 🌧️✨)

🧘‍♀️ Can I choose who I share a tent with?

Yes—glamping setups are assigned based on your booking. If you're sharing a tent, make sure you coordinate and book together or note your group during purchase if applicable.

⏰ When can I check in and check out?

- **Check-in:** Begins when the festival gates open
- **Check-out:** By the designated festival closing time

🚗 Can I park next to my tent?

Glamping areas are typically separate from parking to preserve the space and energy. You'll park in designated areas and walk a short distance to your setup.

🔥 Are there any rules for the glamping area?

- Respect quiet hours and your neighbors
